## **TREASURER'S REPORT**

The accounts for the financial year ended 31 December 2019 are attached. I am grateful for the work of Dr Desmond Keating, who has independently examined the Student Cross Association accounts.

The accounts for 2018 are included for comparison. The Gift Aid Claim for 2016 has been completed and is shown on the accounts. The Gift Aid Claims for 2017 and 2018 are outstanding and will be completed over the autumn along with the 2019 claim. HMRC pays interest on claims and so the association incurs no penalty for delaying claims.

The accounts show that the sale of merchandise continues to be successful.

With the current resources, income and spending levels, the Association's finances are in a healthy condition and we expect to be able to maintain support for needy pilgrims in future years.

The committee of the Association continues to be vigilant in seeking to ensure that the structure of the charges made to pilgrims by the legs ensures that the Association's funds are only to assist pilgrims in need. I am grateful to the leaders and secretaries of the legs for their assistance in this.

I should like to acknowledge the support I have received in my work from the officers and committee members of the Association in the last year.
